Forecast For East of England
Issued by Met Office Exeter
at 1600 on Wednesday 09 Jun 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Dry and mild overnight. Sunny and very warm Thursday.

This Evening and Tonight:
A dry and mild evening with the best of any clear spells in the east along with light winds. Skies becoming increasingly cloudy from the west through the early hours but staying dry. Minimum temperature 14 deg C (57 deg F).

Thursday:
A little cloudy at first, but otherwise dry and bright with sunny spells. Cloud breaking through the afternoon, with long periods of very warm sunshine developing. Maximum temperature 26 deg C (79 deg F).

Outlook for Friday to Sunday:
Friday perhaps starting cloudy, then turning dry and bright with sunny spells. Long spells of very warm sunshine expected through the weekend with mild nights.
